شهادة المحتوى المحلي
Local content certification

The Local Content & Government Procurement Authority certifies that the Local Content Score for [Gamma Factory For Metal Industries] Commercial Registration No.(1010278376) for the year ended 31/12/2023, is 19.36%.

This certificate expires on 31/07/2025.

تسبب هذه الشهادة المحتوى المحلي والمشتريات الحكومية أن نسبة المحتوى المحلي لـ [شركة مصنع جاما للصناعات المعدنية شركة شخص واحد] سجل تجاري رقم (1010278376)، للسنة المالية المنتهية بتاريخ 31/12/2023م، تبلغ 19.36%.

تنتهي صلاحية هذه الشهادة في 31/07/2025م.

توضيح:
تم إصدار هذه الشهادة بحسب الإجراءات المعتمدة لدى الهيئة بناء على التمتع المقدم من المنشأة والتقرير الصادر من مكتب المراجعة المعتمد، دون أن تكون مسؤولية على الهيئة. هذه الوثيقة خرسنة غير قابلة للتدليس، الصالح حتى وإن تم التلاعب بها.

Note:
This certificate was issued according to the procedures followed by the Authority and based on the disclosure submitted by the entity and the report issued by the approved audit firm, without holding LCGPA minimally responsible.
This certificate is sent via electronic mail / automated system and it does not require a signature.

You can validate the information in this certificate via the following link <https://profile.monshaat.gov.sa/validate>, or by scanning the above QR code

تأكيد العضوية في برنامج صنع في السعودية

السادة شركة مصنع جاما للصناعات المعدنية

السلام عليكم ورحمة الله وبركاته، وبعد،

نرحب بكم أعضاء في برنامج "صنع في السعودية" ورسعنا التزامكم للبرنامج ومساهمكم في تحقيق أهدافه الرامية إلى تعزيز الثقة بالمنتج الوطني وتفعيل دورها في تنمية الناتج المحلي السعودي غير النفطي، مما يساهم في جعل المملكة قورا صناعية رائدة وفقا لأهداف رؤية السعودية 2030.

بعد هذا الخطاب بمثابة تأكيد على أن شركتكم المولدة والمنتجات المسجلة والتوافق عليها تستوفي المعايير المطلوبة للاضطلاع لبرنامج صنع في السعودية، على أن يمثل جميع الأعضاء امتثالا كاملا للقواعد البرنامج طوال فترة عضويتكم، واعتبارا من تاريخ هذا الخطاب، يحل لشركتكم استخدام علامة "صناعة سعودية" على المنتجات المسجلة والمعتمدة، والاستفادة من مزايا العضوية.

وننأ عليكم، تأمل منكم تعريف جميع الموظفين المعنيين بتطبيق العلامة الصناعية بقواعد البرنامج وإرشادات استخدامها على المنتجات والمواد الترويجية الخاصة بالشركة.

نائب قطاع صنع في السعودية والترويج

Data/Telephone System Equipment Rack (Technical Data) - Gamma - Saudi Media System

TEH-00-000-AA-MA-MP-0316 Rev.01

With reference to the Data/Telephone System Equipment Rack (Technical Data) - (Gamma) - Saudi Media System, material submittal number TEH-00-000-AA-MA-MP-0316 Rev.01 received on May 04, 2017. Please be advised that the submittal has been reviewed and given Status "B" - **Approved** as noted. With the following comments below:

Prior to material delivery, the following comments shall be finalized:

- Project Specs. Section 18720 Para 1.3 Items (B&C) & Section 18740 Para 1.3 Items (B&A) shall be submitted.
- Run calculation details shall be submitted as per attached compliance sheet.
- Material list stamped by the contractor including all items that shall be used with the product model numbers must be submitted.
- All submitted logs/governmental certificates to be renewed, where applicable and to remain valid during the project life cycle.

Note:
As per MOI Letter Ref. 8637 dated 14/07/2017, Contractors have to adhere to the following:

- Contractors should submit these (3) Suppliers and Manufacturers for each material or equipment, as per Contract Particular Conditions Clause (27) and Clause (30.2) Item (30.2).
- Local Manufacturers have the priority and shall prevail, as per Contract General Conditions Clause (12) Item (12.2.1) and Ministerial Decree no. 42539 dated 6/4/1435 H.
- Each Material should be supplied to each site by One Manufacturer/Supplier Only.

Disclaimer: This conditional approval will be subjected to verification for compliance with the applicable comments and all relevant terms and conditions of the contract. This code "B" approval does not relieve the contractor of **ANY** obligation under the contract and is independent of any future review and submitted approval design.

This is for your information and relevant action.

 Southern Border Housing Project 

Data/Telephone System Equipment Rack (Technical Data) – General – Small Media System
EPH-00-000-AA-MA-MP-0316 Rev.01

With reference to the Data/Telephone System Equipment Rack (Technical Data) – (General) – Small Media System, material identification number EPH 00-000-AA-MA-MP-0316 Rev.01 received on May 04, 2017. Please be advised that the submittal has been reviewed and given **OK for approval** as noted. With the following comments below:

Due to essential delivery, the following comments shall be finalized:

- 1- Project Specs. Section 16720 Para 1.3 Items (B&C) & Section 16740 Para 1.3 Items (B&C) shall be submitted.
- 2- Fan calculation details shall be submitted as per attached compliance chart.
- 3- Material list stamped by the contractor including all items that shall be used with the product model numbers must be submitted.
- 4- All submitted (all governmental) cost codes to be reviewed, where applicable and to remain valid during the project life cycle.

Note:

As per M21 Letter Ref. 6627 dated 14/07/2437 H, Contractors have to adhere to the following:

- A. Contractors should submit Clause 104 Suppliers and Manufacturers for each material or equipment, as per Contract Particular Conditions Clause (D) and Clause (K20) Item 10.2.
- B. Local Manufacturers, have the priority and shall prevail, as per Contract General Conditions Clause (K12) Item 12.2.1 and Ministerial Decree No. 42559 dated 6/6/1435 H.
- C. Each Material should be supplied to each site by One Manufacturer/Supplier only.

Disclaimer: This conditional approval will be subjected to verification for compliance with the applicable conditions and all relevant terms and conditions of the contract. This code "B" approval does not relieve the contractor of **ANY** obligation under the contract and is independent of any future review and submitted approval design.

This is for your information and relevant action.

----------------------------	------------	--------------

PRODUCTS

Submittal number, date and revision number from three manufacturers including:

- product name (or description);
- indication of referenced specifications;
- indication of related item in the B.Q.Q.

Indication of location of using material and sketch (if necessary).

Manufacturer profile including name, contact details, reference list, country of origin, ISO and other certificates, etc.

Supplier profile including name, contact details, previous projects, ISO certificate and local certificates:

- Industrial license;
- Zakat certificate;
- GOSR certificate;
- Commercial registration certificate;
- Ministry of Labor certificate.

Material list including name (or description), model number, major data, quantities, country of origin (manufacturing location) and any other important comments.

Copy of related technical specification as per contract documents attached

Compliance sheet (comparison sheet between contract specification and manufacturer/supplier's proposed specification) stamped by the manufacturer/supplier.

Compliance has to be specified for each item, clause and sub-clause in the related technical specification with reference to the catalogues/technical data sheet.

Any deviation from related technical specifications, if existing, has to be clearly mentioned.

☒	Contractor has to submit another manufacturer/supplier related to same material as per contract documents.	
☐		
☐	Not submitted	
☐	Not submitted	
☒	Ref. to remarks #2,4,5,6,7	
☒		
☒	Refer to remark #1,2

LIST OF ITEMS

ITEMS TO BE CHECKED	CHK	NOTES
Certificates of compliance with local and international codes and standards	☐	Refer to remark #10
Indication of warranty period as per contract documents	☒	Refer to remark #11
Technical data sheets and catalogues (one original catalogue is mandatory)	☒	Copy
Operation and maintenance manuals as per contract documents	☒	
Approvals of local authorities having jurisdiction, if required	☐	
Manufacturer installation details recommendations and instructions	☐	
Factory routine test certificates and third party test certificates, if required	☐	
Time schedule for Materials submittal (approved by PROGER) showing all material and its planned submittal dates attached	☐	Not provided, contractor has also to indicate the date of submittal for each supplier/manufacturer if they (at least three) are not submitted together
Suitability of the operating temperature of the product in reference to environmental factors of the site, if required	☒	
SAMPLE CATEGORIES		
Submission of one samples board for each manufacturer/supplier, if possible	☐	Refer to remark #12
Indication of manufacturer name, contact details and country of origin for each sample	☐	
Indication of suppliers name, contact details and country of origin for each sample	☐	
Indication of sample name and model number below each sample on the board (they have to be securely fixed)	☐	

REMARKS

1. Reference for the submitted material is RF1 # E0014 dated 2nd August 2015 approved by Client on 8th August 2015 without any V.O. or extra cost with all complementary components.
